

Honouring our Greatest Athletes

Our Vision - We exist to preserve and celebrate the history of Australian sport; and to excite the next generation of young Australians to achieve their potential both in sport and in life.

Built around the inspirational words of our first Inductee and Legend, Sir Donald Bradman AC, The Sport Australia Hall of Fame is determined to carry to Australians everywhere the symbol of excellence as represented by its Members across all sports and genders.

Sport is a defining and dominant part of Australian social culture and in honouring the Member achievements, The Sport Australia Hall of Fame preserves, presents and shares this priceless sporting heritage as an inspiration to all Australians.

The message is a valuable one that emphasises the rich rewards in life that are offered by striving to attain The Sport Australia Hall of Fame values; Courage • Sportsmanship • Integrity • Mateship • Persistence • Excellence; underpinned by Generosity, Modesty, Pride and Ambition.
