

Legends of Australian Sport

The annual *Elevation* of one *Member* to “**Legend**” status within **The Sport Australia Hall of Fame** is the most prestigious sporting honour that can be bestowed on an Australian.

Elevation provides the opportunity to celebrate and honour a *Member* who has distinguished themselves at the absolute highest level and whose achievements are considered part of Australian folklore. And importantly, this public recognition provides the opportunity to re-tell their remarkable story and inspire a whole new generation of Australians.
