

Scholarship and Mentoring Program

In 2006, The Sport Australia Hall of Fame created the Scholarship and Mentoring Program to excite and encourage the next generation of Australians to achieve their highest potential both on and off the sporting field.

Scholarships are awarded annually to athletes who are under 21 as at December 31 of the year of applying.

The Scholarship provides; access to a personal mentor, whom is a Member of The Sport Australia Hall of Fame, to inspire and encourage the young sports people, funding over a 12 month period and an international airfare within the network of major sponsor Etihad Airways.

Since the introduction of the program, 71 young Australian athletes have benefited from 66 Scholarships in 35 sports and the opportunity to draw on the experience and wisdom of The Sport Australia Hall of Fame Membership.

Such is the success of the program that 20 past Scholarship Holders represented Australia at the most recent Olympic (17) and Paralympic (3) Games in Rio. An outstanding amount of 17 past Scholarship Holders represented the London Olympic (16) and Paralympic (1) Games.
